

Baltimore County Council

Resolution

*Be it hereby known to all that
The Honorable Vicki Almond and
The Honorable David Marks,
on behalf of the Baltimore County Council,
offer sincerest congratulations to*

ACORN HILL

*as they celebrate the opening of their Children's Play Area with a
Ribbon Cutting Ceremony on Wednesday, June 18, 2014.*

The Council hereby extends its sincere congratulations to Acorn Hill Children's Creative Play Area, as they celebrate the opening of this area at Robert E. Lee Park. Acorn Hill is the creation of a group of Nature Council volunteers who designed an area for children to learn, play, develop physical skills, and conserve the environment. Play stations were created for picnics, quiet areas, and art projects, and they reflect the history of the park, including its factories, mines, railroad, and reservoir. Children can enjoy the butterfly and bird sanctuaries, talks with park rangers, and many more activities.

Councilwoman Almond and Councilman Marks join with those assembled on Wednesday, June 18, 2014 at Robert E. Lee Park, for the ribbon cutting ceremony and offer their best wishes for continued success.
