

## **WATER BOARD APPOINTEES**

### **Several New Men Get Places And A Number Of Employees Retained In Office.**

The water board, at a special session yesterday afternoon, elected the following employees:

W. T. Duncan, inspector, engineer's department, at a per diem to be fixed.

George R. Fox, re-elected clerk in mechanical department, \$900.

W. J. West, re-elected draughtsman, engineer's department, \$900.

Richard J. Dyatt, colored, fireman, engineer's department, \$660.

Charles H. Kirkwood, foreman in Gay street yard, \$750.

**John Boon**, re-elected, keeper at Lake Roland, \$720.

Louis H. Durling was re-elected chief clerk in the engineer's department, salary \$1,500.

City Solicitor Semmes was in consultation with the board regarding damage suits brought against the city by owners of property adjacent to Loch Raven, and suggested that the entire question be left in his hands for disposition. This will probably be done.
