

| | Equipment Engine Type | Fuel Type | | | | | Winterization |
|---------------------------|-----------------------|-----------|--------------------|---------------------|-------------------------------|--------|---------------|
| | | Gasoline | Gasoline & Oil Mix | Gasoline No-Ethanol | Gasoline & Oil Mix No-Ethanol | Diesel | |
| UTV Wood Chipper | 4-Cycle | | | X | | | |
| Vermeer Chipper | Diesel | | | | | X | |
| Outboard Motor | 4-Cycle | | | X | | | |
| Snow Blower | 4-Cycle | | | X | | | |
| Skid Loader | Diesel | | | | | X | |
| Mini Excavator | Diesel | | | | | X | |
| Towable Brush Mower | 4-Cycle | | | X | | | |
| Towable Tank & Sprayer | 4-Cycle | | | X | | | X |
| Chain Saw | 2-Cycle | | X | | X | | |
| Council Truck | 4-Cycle | X | | | | | |
| Council Gator | 4-Cycle | X | | | | | |
| Weed Eater | 2-Cycle | | X | | X | | |
| Torpedo Heater | Jet Engine | | | | | X | X |
| Handheld Blower | 2-Cycle | | X | | X | | |
| Backpack Blower | 2-Cycle | | X | | X | | |
| Towable Blower | 4-Cycle | | | X | | | |
| Tiller | 2-Cycle | | X | | X | | |
| Vibratory Plate Compactor | 4-Cycle | | | X | | | |
| Power Washers | 4-Cycle | | | X | | | X |
| Generator | 4-Cycle | | | X | | | |

Use stabilized non-ethanol fuel when a piece of equipment receives little use and is stored over long periods of time.

Add fuel stabilizer to fuel for engines that receive regular use but are stored over the winter.

Fuel Stabilizer must be mixed as a specific ratio of fuel to stabilizer, excessive stabilizer can damage an engine, stabilizer is alcohol based.

Power washer and tank sprayer must be winterized to prevent pump cracking
