yy. — Jones Falls Trail

ix. — Benefactors:

1. — Should the intro sentence be changed to “Lake Roland” versus Park.
2. — Move up in the button priority order to make donors feel more appreciated.
3. — Convert form Benefactors to Corporate Sponsors Donors and move to top layer.

x. — Our Friends

1. — Should the introductory sentence be broadened to reflect a broader geographical scope of friends, the lower section grouping are not directly next to the park so the intro should conform to that.
2. — Should the list be more structured?
3. — Should the Lake Roland Garden Club and Guilford be listed in this section?
4. — Should Mt. Washington Pediatrics Hospital be listed in his section based on their involvement/impact regarding the Nature Center?
5. — The picture of the grass and pavilion look blurry/poorly rendered compared to the blown up original once you click on the image. The images on the Pavilion page look blurry. To be addressed in new website theme.
6. — Add other nature councils.

b. Nature Center:

- i. — Add a button “Nature Center Tour”
- ii. — Ways to Donate would be the second button
- iii. — Learn More would be the first button.
- iv. — Remove Concept Drawing button, in addition this button goes to a dead link.

      - b. Should connect to nature council photo gallery outlined above.
      - c. Embed video of interview
    - 4. Lake Roland Donut Run
      - a. Remove and rename Recreation Activities and have it link to the recreation page and this will then have multiple recreation activities over time and this will be one of those activities. It would be illogical to continue to add multiple activities to this section such as a kayak race, bike race etc. This is a matter of scope creep.
    - 5. Add as outlined above a Recreation Activities button.
      - a. Add Donut Run
    - 6. Add Trail Activities button link to the trails committee page.
      - a. Expand in the future with calendar link per Paul discussion.

  - i. ~~Early History of the Park:~~
    - 1. ~~Expand narrative~~
    - 2. ~~Should connect to nature council photo gallery outlined above.~~
  - ii. ~~Baltimore County's Park Revival:~~
    - 1. ~~Should Park be changed to Lake Roland?~~
    - 2. ~~No change, open to comment.~~
  - iii. ~~Park Video:~~
    - 1. ~~There needs to be a way to integrate this section with the new photo section so that visitors actually know that this information exists versus being an afterthought.~~
    - 2. ~~No change, open to comment.~~
- h. ~~Donate to the Nature Council:~~
  - i. ~~Change to Donate to the Lake Roland.~~
  - ii. ~~No change, open to comment.~~

Future:

- 1) ~~Remove (Formerly Robert E. Lee Park)~~
- 2) ~~Adding a physical WeatherBug station at the park and incorporating that information onto our site.~~  
<http://ambientweather.wikispaces.com/WeatherBug+Backyard+Stations+Purchase+Guid>

~~e Peter, could you contact weatherbug when you get a chance to see what is required to do this. In process with OIT~~

- ~~3) A video feed from the park interfaced with OIT with the system installed at the Nature Center to live stream the park, shot of the bridge, so people can check park condition before arriving. This might be a tough one regarding access. If that proves to be the case, when we install the weather station on the ranger station, we can add our own streaming camera at that time.~~
- ~~4) Ranger Wood Comment: I would like to comment or to express some issues we have within the park, and it can be difficult to properly channel to visitors. Is there a way to better request pre-registration for our events? **Addressed with adding additional wording on site.** Even adding registration required to the specific programs seems like most do not get the point we cancel programs if no one signs up. A feature that may not be able to change is while adding programs to the page, the reoccurring programs can be difficult to fully understand they are a multi-day program/class. Maybe we should separate some programs into their own section of the website. For example, art classes we have offered, donut run series, and nature scouts. Other than that, I think mostly a reorganization would better help group items specific together for those looking for that specific item. Example parents with young kids don't always want to know about art classes or donut run or trail team, but want to know right away about the playground and summer camps/kid activities. Paul and Jonathan working on.~~
- ~~5) Beth Hoker Comments:
  - a. Location of Contact Button
  - b. Volunteer opportunities: (The next seven points need to be incorporated into a single document).
    - i. Above all, remember that this is YOUR park and treat it as such. If you see something wrong report it. If you see trash, pick it up. If you have ideas, email [lakeroland@lakeroland.org](mailto:lakeroland@lakeroland.org). Many people have worked hard to get the park to its current state. We would like to include you in these efforts.
    - ii. Help needed with programs and events such as canoeing/kayaking, park maintenance, Halloween events, Easter programs, Nature Quest (?), Mud Day, Fishing Days, Camp Outs, Native Plant Sales, running and children events. Volunteers are needed to participate, register, set up and/or clean up.
    - iii. Join the trails committee to upkeep the trails (can include working with equipment)
    - iv. Help with clean-ups of Paw Point (light shoveling, blowing, removing fallen tree limbs, occasional power washing and filling holes)
    - v. Come out to help pick up the lake (go out in canoes/kayaks to pick up trash)
    - vi. Maintenance of planted areas
    - vii. Office assistance?
    - viii. Migrate SignupGenius on the volunteer page from Merritt to nature council based/managed solution. Kurt & Jeff working on.
  - c. Park Information:
    - i. About the Park:~~

1. ~~The new Nature Center allows handicapped accessible year round programs, arts & crafts for children, meeting space and the ever popular flushing toilets.~~
2. ~~Directions:—~~
  - a. ~~The park address is 1000 Lakeside Drive, Baltimore, MD 21210 off Falls Rd. The first right is the main entrance. The last right will take you to additional convenient parking from the Falls Road light rail station. The boardwalk at the back of the lot provides easy access to the main park area near the Nature Center~~
  - d. ~~Donut Run: Forgot to point out another possibility. On the Donut Run link there is a notation of the membership price. That might be a good spot to add a link to the membership application.~~
  - e. ~~About the park; 3rd paragraph: possibly add— There is also access from the boardwalk located at the back of the parking lot for the Falls Rd MTA Light Rain station. (the boardwalk is not obvious when you drive into the lot).~~
  - f. ~~Park improvements; 5th bullet: Should you change Lake Falls Light Rail station to Falls Rd Light Rail station?~~
  - g. ~~Consider adding easy handicapped access to the fishing pier and picnic tables. We've got it, so why not flaunt it!~~
