**District 11 Legislators Urge Renaming of
Robert E. Lee Park**

We, the state legislators representing the 11th District (which includes Robert E. Lee Park), strongly support efforts to change the name of Robert E. Lee Park to Lake Roland Park.

No park or other public amenity should be named in honor of a Confederate leader, especially in a County as diverse as Baltimore County.

Sincerely,

Senator Bobby Zirkin
Delegate Shelly Hettleman
Delegate Dan Morhaim
